

Translational Research Institute - Communications and Marketing Manager

Ref: 2012-02-CMM

TRI is now accepting applications for this new position, to commence March 2012.

This full-time role will provide outstanding communications and marketing management to TRI, and act as a liaison for TRI to its stakeholders for marketing and communications matters, ensuring coordination between the individual stakeholders and TRI as a whole.

The TRI Communications and Marketing Manager will be responsible for:

- Provision of outstanding management of the communications and marketing activities
- Planning and implementation of communications and engagement activities
- Producing funding proposals and support documents
- Developing TRI's promotional material, publications, outreach activities, and marketing strategies

The successful candidate will have a degree in communications, public relations, marketing or related area, and extensive relevant experience in a university or complex environment. Qualifications or experience in a health, biomedical research, or higher education setting will be highly regarded.

To apply:

Email wendy.freeman@tri.edu.au to request an application package. Applications close 3:00pm Monday 3 March 2012.
